

Public Transport: driving major events to success!

With 120 years of expertise in the Paris mass-transit network combined with international experience, **we have accumulated a wealth of experience in organising large-scale events**, delivering and operating public transport, with a high volume of demanding passengers.

We were here:

FIFA World Cups in Paris (1998), Johannesburg (2010) & Doha (2022) with 18M+ passengers carried.

Rugby World Cup in Paris (2023) : official supporter.

Olympics & Paralympics Games in Paris (2024) : multimodal network operator.

All types of events:

Sporting & cultural, Recurring & special, Regional, national & global events.

From under 15,000 to 300,000+ participants.
